

AND FOR THE REST OF THE WEEKEND ON THE BRUCE...

We can make arrangements to expand your weekend to include other activities on Friday and Monday. Take guided hikes on lesser known but spectacular trail sections on Friday, or join a kayaking excursion¹ on Monday. On your own play golf, visit our local lighthouses in Tobermory, Cabot Head or Lion's Head, hike to the 'Grotto' or Devil's Monument, climb the Visitor Centre tower, take a walking tour of the Tub, explore local gardens & artisan shops and spend some time at the St. Edmunds Township Museum.

For information on Friday and Monday activities please contact John Greenhouse 519-596-2081 or see the Contact section of the PBTC website [www.pbtc.ca/pdf/executive.pdf] for John's email address. We will organize group activities and excursions depending on the interest.

These additional excursions will take place outside the regular Festival schedule, so when planning your visit, consider an extended stay on the Bruce to take in all the fun!

Some of the Tobermory motels and B and Bs that have supported the festival in previous years are:

Blue Bay Motel 519-596-2392
Bruce Anchor Motel 519-596-2555

¹ You will need your own kayak. The outing will be on inland waters unless conditions on the big lake are particularly favourable.
